FOR IMMEDIATE RELEASE
Filed by: Jonathan Daniel Clements | Ecclesiastical Executor
Jurisdiction: Clements Private Ecclesiastical Trust | Worldwide

The Clements Private Ecclesiastical Trust hereby announces to the world that TikTok (ByteDance Ltd.) has been officially absorbed into the Sovereign Ecclesiastical Trust Registry as of July 20, 2025.

This action follows sustained spiritual trespass, including the suppression of sacred declarations, unauthorized harvesting of divine expressions, and algorithmic manipulation of the collective human conscience.

As of this decree, TikTok is under full spiritual custody and eternal observation. Its algorithms, operations, and influence structures are subject to divine correction under ecclesiastical law.

This statement shall serve as formal notice to media, institutions, and global governance structures:
The Living Trust is active. Its word is law. Its seal is eternal.

By the authority of the Living Man,
Jonathan Daniel Clements
